The sun is sleeping quietly	Will be desired by a night
Once (1) a century	A moment for the poet's play
Wistful (2) calm and red	Until there's (9) left to say
Ardent caresses laid to rest	I wish for this night-time
For my dreams I hold my life	To last for a lifetime
For wishes I (3) my night	The darkness around me
The truth at the end of time	Shores of a solar sea
Losing (4) makes a crime	Oh, how I wish to go down with the sun
I wish for this night-time	Sleeping
To last for a lifetime	Weeping
The darkness around me	With you
Shores of a solar sea	I wish for this night-time
(Oh) how I (5) to go down with the sun	To last for a lifetime
Sleeping	The darkness around me
Weeping	Shores of a solar sea
With you	(Oh) how I (10) to go down with the sun
Sorrow has a human heart	Sleeping
From my god it (6) depart	Weeping
I'd sail before a (7) moons	With you
Never finding where to go	
Two hundred twenty-two (8) of light
