How Am I Supposed To Live Without You by Michael Bolton

I could hardly believe it when I heard the news today	Now that I've been lovin' you so long
I had to come and get it straight from you	How am I supposed to live without you
They said you were leaving, (1) swept your	And how am I supposed to carry on
heart away	When all that I've been livin' for is gone
From the look upon your face, I see it's true	And I don't wanna know the price
So (2) me all about it	I'm gonna pay for dreamin'
Tell me 'bout the plans you're makin'	Now that your (6) has come true
Tell me one thing more before I go	Tell me how am I supposed to live without you
Tell me how am I supposed to live without you	Now that I've been loving you so long
Now (3) I've been lovin' you so long	How am I supposed to (7) without you
How am I supposed to live without you	And how am I supposed to (8) on
And how am I supposed to carry on	When all (9) I've been livin' for is gone
When all that I've been livin' for is gone	Gone without you
Didn't come here for cryin', didn't come here to break down	Now that I've been lovin' you so long
It's just a dream of mine is comin' to an end	How am I supposed to live without you
How can I (4) you when I built my world around	And how am I supposed to carry on
The hope that one day, we'd be so much (5) than	When all that I've been livin' for is gone
friends	
And I don't wanna know the price	
I'm gonna pay for dreamin'	
Even now, it's more than I can take	
Tell me how am I supposed to live without you
