Someone falls to pieces	To be (12) is all that you can do
Sleeping all alone	(All (13) you can do, hey)
Someone kills the pain	To be yourself is all (14) you can do
Spinning in the silence	Even when you've (15) enough
She (1) drifts away	Been put (16) or been held up
Someone (2) (3) in a chapel	With every (17) memory of
yard	The good or bad, faces of luck
Catches a boquet	Don't (18) any sleep tonight
Another lays a dozen	I'm (19) everything will end up alright
White roses on a grave	You may win or lose
(Yeah)	But to be yourself is all that you can do
And to be (4) is all that you can do	(Yeah)
(Hey)	To be yourself is all that you can do
To be (5) is all (6) you can	(Oh)
do	To be (20) is all (21) you can
Someone (7) salvation in everyone	do
Another only pain	(All that you can do, hey)
Someone tries to hide himself	To be yourself is all (22) you can do
Down inside (8) he prays	(All that you can do)
Someone swears his true (9) until the end of time	To be (23) is all that you can
Another (10) away	Be yourself is all that you can
Separate or united?	Be yourself
Healthy or insane?	Is all (24) you can do
And to be yourself is all that you can do	
(All that you can do)	
To be yourself is all (11) you can do	
(All that you can do)
