You and I	To an endless (6) we recess
Holding tight	For what believe we (7) hide
You and I	Maybe we can make it through this
Gotta fight	Is it fair,
You and I	To run away,
Side by side	Is it fair to belive this, we're victimized
You and I	For a life we didn't ask for
Sanctified	No (8) to confirm
You and I	No (9) to deny
Feels so right	Too hopeless to care,
You and I	we're too scared to cry
Holding tight	You and I
You and I	Holding tight
Side by side	You and I
You and I	Gotta fight
For the rest of our lives	You and I
Every night	Side by side
We're all alone every night	You and I
My (1) hope is a light	Sanctified
That's shining from inside you	You and I
'Cause we believe	Feels so right
In what we are you believe	You and I
In what we'll be in this dream	Holding tight
So I can stand (2) you	You and I
No (3) to confirm	Side by side
No lies to deny	You and I
Too (4) to care,	For the (10) of our lives
We're too scared to cry	You and I
You and I	Holding tight
Holding tight	You and I
You and I	Gotta fight
Gotta fight	You and I
You and I	Side by side
Side by side	You and I
You and I	Sanctified
Sanctified	You and I
You and I	Feels so right
Feels so right	You and I
You and I	Holding tight
Holding tight	You and I
You and I	Side by side
Side by side	You and I
You and I	For the rest of our lives
For the (5) of our lives
