

## Fill in the gaps

Every second is a lifetime	Does it feel better than love?
And every (1) (2)	Does it feel better than love?
(3) you closer to God	Turn away, turn away, (8) your eyes, you can
And you see nothing but the red lights	runaway
You let your body burn like never before	It's not enough
And it feels better than love	I see the lights (9) the rain
Yeah it feels better than love	(Oh) tonight
Every second is a lifetime	But they (10) change
And every (4) more brings you closer to God	So what is love?
And you see nothing but the red lights	Does it feel better than love?
You let (5) body burn like never before	Does it feel better than love?
And it feels better (6) love	Turn away, turn away, close your eyes, you can runaway
Yeah it feels better than love	It's not enough
Turn away, turn away, (7) your eyes, you can	I see the lights through the rain
runaway	(Oh) tonight
It's not enough	But they never change
Another second in the sunshine	So what is love?
A decade in the dark taking part in a dream	
Have you forgotten what she looks like?	
Or do you only see what you want to believe?
