

## Fill in the gaps

Every (1) is a lifetime	Does it (12) (13) (14)
And every minute more brings you closer to God	love?
And you see nothing but the red lights	Does it feel better than love?
You let (2) body burn (3)	Turn away, turn away, (15) your eyes, you can
(4) before	runaway
And it (5) better than love	It's not enough
Yeah it (6) better than love	I see the lights through the rain
Every second is a lifetime	(Oh) tonight
And (7) (8) more brings you	But (16) (17) change
closer to God	So (18) is love?
And you see (9) but the red lights	Does it feel (19) than love?
You let your body burn like never before	Does it feel better (20) love?
And it feels (10) than love	Turn away, turn away, (21) your eyes, you can
Yeah it feels better than love	runaway
Turn away, turn away, close your eyes, you can runaway	It's not enough
It's not enough	I see the (22) through the rain
Another second in the sunshine	(Oh) tonight
A decade in the dark taking part in a dream	But (23) never change
Have you forgotten (11) she looks like?	So what is love?
Or do you only see what you want to believe?
