You (1) (2) you'd seen a	On the day you (17) up (18)
ghost	somebody
And I (3) in	And you've learned
I lack the things you need the most, you said	It's okay to be afraid
Where have you been	But it will (19) be the same
You wasted all that (4) to run and hide	And as the (20) in
I wonder why	And your (22) (23) to sink
I remind you of the days you poured (5)	I was the (24) thing on your mind
(6) into	I know you better than you think
But you never tried	'Cause it's simple, darling
I've (7) from grace, took a blow to my face	I gave you a warning
I've loved and I've lost, I've loved and I've lost	Now everything you own
Explosions	Is (25) from the sky in pieces
On the day you (8) up needing somebody	So watch (26) fall with you in slow motion
And you've learned	I pray that you'll find peace of mind
It's okay to be afraid	And I'll find you another time
But it will never be the same	I'll love you, (27) time
It (9) never be the same	Explosions
You (10) my (11)	On the day you wake up needing somebody
(12) in the dark	And you've learned
So you could be king	It's okay to be afraid
The rules you set are (13) (14)	But it will (28) be the same
to me and I've	
Lost my faith in everything	
The nights you could cope	
Your intentions (15) gold	
But the mountains (16) shake	
I need to know I can still make explosions
