need you with me	If you, (15) into me
To push it away	Let go, fall in
When we (1) (2)	Drown in the moment with me
(3) other	Sinking 'til we start to breathe
Our (4) appear and (5) into	Fade (16) me, fade into you
one	The two of us melting together
Fade into me, fade into you	Until we become something new
Two of us melting together	And we can escape
Until we become something new	And (17) the (18) chasing to find
And we can escape	us
And (6) the world chasing to (7) us	(Oh) fade into me
Both of us hidden (8) view	Fade into you
f you, fade into me	The two of us melting together
Fade into me	Until we become something new
When I'm broken	And we can escape

Like an ocean	(21) us
(9) you crash over me	Both of us hidden from view
We disappear (10) each other	If you
Our colors appear and bleed into one	Fade into me
Fade into me, (11) into you	Fade into me
The two of us (12) together	
Until we become (13) new	
And we can escape
