

## Fill in the gaps

## When You Gonna Learn? by Jamiroquai

Yeah, yeah	(Oh) you've upset the balance man
Have you (1) the news today?	Done the only thing you can
People right across the world	Now my (15) is in your hands
Are pledging (2) will play the game	Mountain (16) and river deep
Victims of a (3) world	(Oh) yeah
Circumstance has (4) us here	We've (17) stop it going on
Armageddon's come too near	We gotta wake (18) (19) up
Too, too near, now	(20) its sleep
Foresight is the only key	(Oh) people
To (5) our children's destiny	Stop it going on
The consequences are so grave	Mountain (21) and (22) deep
So, so grave, now	(Oh) yeah
The (6) we are their slaves	We've stop it going on
So my (7) to (8) the end	We (23) (24) (25) world
On each other we depend	up from its sleep
(Oh) we depend	(Oh) people
Mountain high and river deep	Stop it going on
Stop it (9) on	Greedy men will fade away
We gotta wake this world up from its sleep	When we stop it going on?
(Oh) people	I know it's got to be that way
Stop it (10) on	(Oh) people
Yeah, yeah	Stop it going on
Have you heard the news today?	I'm asking (oh)
Money's on the menu in my favourite restaurant	When you gonna learn?
Well don't talk about quantity	To stop it (26) on
'Cause there's no (11) let in the sea	Now when you gonna learn?
Greedy men been killing all the (12) there ever was	To (27) it going on
And you'd better play it natures way	Now (28) you gonna learn?
Or she will (13) it all away	To stop it going on
Don't try and tell me	(Oh) (29) you gonna learn to stop it going on?
You know more than her about (14) from wrong
