

You know sometimes I feel

Animal City by Shakira

La la la la lei	I (8) earn every breath you take
La la lei	Baby, never mind the rules we break
La la la la la lei	Cause it's an animal city
La la lei	It's a cannibal world
Why do all my friends	So be obedient, don't argue
Now want to be your lovers?	Some are ready to bite you
Your family got bigger	It's an animal city
When they thought you were rich	It's a cannibal world
And now like maniacs	So be obedient, don't argue
They scratch (1) back	Some are ready rip you right off
Even when it doesn't itch	With you I feel safe
I want to figure it all	There's nothing to fear from us
I want to (2) it all out	Away from the fangs
I want to save you from	The fangs of the world
Save you from all the fame	I may be a coward but you are brave
Save you from the things that cause us pain	And nothing seems so dangerous
Cause it's an animal city	Cause it's an animal city
It's a cannibal world	It's a cannibal world
So be obedient, don't argue	So be obedient, don't argue
Some are ready to fight you	Some are ready to bite you
It's an (3) city	It's an animal city
It's a cannibal world	It's a cannibal world
So be obedient, don't argue	So be obedient, don't argue
Some are ready to fight you	Some are ready rip you right off
My love	Cannibal world
They believe you now	Cannibal world
Have everything you wanted	Cannibal world
And once you have (4) a star	Cannibal world
You got no (5) to bitch	So be obedient, don't argue
But someday (6) you fail	Some are ready to bite you
They'll put you on sale	My (9)
And buy you by the inch	You can call me a sinner but you can't call me a saint
But you're the real deal	(10) me for who I am dislike me for
And "real" is your (7) name	what I ain't.
