Soul To Squeeze by Red Hot Chili Peppers

I've got a bad disease	I'll make my days a breeze
Up from my brain is where I bleed	Then take away my self destruction
Insanity it seems	It's bitter baby and it's very sweet
It's got me by my soul to squeeze	A (5) rollercoster but I'm on my feet
Well all the love from me	Take me to the river, let me on your shore
With all the dying (1) I scream	Well I'll be comin' back baby
The angels in my dreams, yeah	I'll be comin' back for more
It turned to demons of greed, that's me	(Do do do do dingle (6) a dong dong)
Where I go I just don't know	(Ba di ba da zumba crunga cong gone bad)
I've got to got to gotta take it slow	I could not forget
When I find my peace of mind	But I will not endeavor
I'm gonna give you some of my (2) time	See my pleasure I must measure
Today love smiled on me	But I won't (7) it never
It (3) away my pain say please	Where I go I (8) don't know
(Oh) let your ride be free	I've got to got to (9) take it slow
You gotta let it be, (oh) yeah	When I find my peace of mind
Where I go I just don't know	I'm gonna give you some of my good time
I've got to got to gotta (4) it slow	Where I go I just don't know
When I find my peace of mind	I might end up somewhere in Mexico
