Just Lose It by Eminem

Fill in the gaps

Down, down, down, down down					
Down, down, down					
Okay, guess who's back, back again					
Shady's back, tell a friend					
Now everyone report to the dance floor					
To the dance floor, to the dance floor					
Now everyone (1) to the dance floor					
Alright stop, pajama time					
Come here little kiddies on my lap					
Guess who's (2) with a (3) new rap					
And I don't mean rap as in a new case					
Of child molestation accusations					
(Ah ah ah ah) no worries					
Papa's got a brand new bag of toys					
What else could I possibly do to make noise?					
I've done touched on everything but little boys					
That's not a stab at Michael					
That's just a metaphor, I'm just psycho					
I go a little bit crazy sometimes					
I get a little bit out of control with my rhymes					
Good god, dip, do a little slide					
Bend down, touch your toes, and just glide					
To the center of the dance floor					
Like TP for my bung-hole					
And it's cool if you let one go					
Nobody's gonna know, who'd hear it?					
Give a little "poot poot," it's ok					

Oops my CD just skipped

Fill in the gaps

JUB					
And everyone just heard you let one rip					
Now I'm gonna make you dance					
It's your chance					
Yeah boy, shake that ass					
Whoops I mean girl, (4) girl girl					
Girl you know you're my world					
Alright now lose it (ah ah ah ah ah)					
Just lose it (ah ah ah ah ah)					
Go crazy (ah ah ah ah ah)					
Oh baby (ah ah) oh baby, baby (ah ah)					
It's Friday and it's my day					
Used to party all the way to Sunday					
Maybe 'til Monday					
I don't know what day					
Everyday's just a holiday					
Cruisin' on the freeway, feelin' kind of breezy					
Let the top down and my hair blow					
I don't know where I'm goin'					
All I know is when I get (5) someone's gonna					
(Touch my body)					
Excuse me miss, I don't mean to sound like a jerk					
But I'm feelin' just a little stressed out from work					
Would you punch me in the stomach and pull my hair					
Spit on me, maybe gouge my eyes out (yeah)					
Now what's ya name girl, what's ya sign?					
(Man you must be up out yo mind)					
Dre (ah ah) beer goggles, blind					
I'm just tryin' to unwind (now I'm)					
Now I'm gonna make you dance					

It's your chance

Oops I (6) girl, girl girl girl						
Girl you know you're my world						
Alright now lose it (ah ah ah ah ah)						
Just lose it (ah ah ah ah ah)						
Go crazy (ah ah ah ah ah)						
Oh baby (ah ah) oh baby (ah ah)						
It's Tuesday and I'm locked up						
I'm in jail and I don't know what happened						
They say I was runnin' butt naked						
Down the street screamin' (ah ah ah ah)						
Well I'm sorry, I don't remember						
All I know is this much, I'm not guilty						
They said "Save it, boy we got you on tape						
Yellin' at an old lady" (touch my body)						
Now this is the part where the rap breaks down						
It's real intense, no one makes a sound						
Everything looks like it's "8 Mile" now						
The beat comes back and (7) (8) themselves						
Now snap back to reality, look! there's B. Rabbit						
"Oh you signed me up to battle? I'm a grown man!"						
(Tubba tubba tubba tubba tubba tubba)						
I don't have any lines to go right here so, chubby						
Tellytubby fellas (what) fellas (what)						
Grab (9) left nut, make your right one jealous (what)						
Black girls, white girls, skinny girls, fat girls						
Tall girls, small girls, I'm calling all girls						
Everyone report to the dance floor						
It's your chance for a little romance or butt squeezin'						
It's the season, just go (ah ah ah ah)
