The Sweet Escape by Gwen Stefani

If I could escape I would but,	If I could be (8) (sorry boy)
First of all, let me say	I know I've been a real bad girl (I'll try to change)
I must apologize for (1) stank & treating you	I didn't mean for you to get hurt (whatsoever)
this way	We can make it better
Cause I've been acting like sour milk all on the floor	& tell me boy now wouldn't that be sweet? (sweet escape)
It's your fault you (2) shut the refrigerator	Woohoo, Yeehoo
Maybe that's the reason I've been (3) so	Woohoo, Yeehoo (If I could escape)
cold?	Woohoo, yeehoo (If I could escape)
[Chorus]	Woohoo, Yeehoo
If I could escape & (4) a place that's my	Cause I've been acting like sour milk all on the floor
own world	It's your fault you didn't shut the refrigerator
& I could be your favourite girl (forever), Perfectly together	Maybe that's the reason I've been acting so cold?
Tell me boy now wouldn't that be sweet? (sweet escape)	[Chorus]
If I (5) be sweet, I know I've been a real bad girl	If I could escape & recreate a place (9) my
(I'll try to change)	own world
I didn't mean for you to get hurt (whatsoever)	& I could be your favourite girl (forever), Perfectly together
We can make it better, Tell me boy wouldn't that be sweet?	& tell me boy now wouldn't that be sweet? (sweet escape)
(sweet escape)	If I could be sweet (sorry boy)
[Akon]	I (10) I've been a real bad girl (I'll try to change)
I want to get away, to our sweet escape	I didn't mean for you to get hurt (whatsoever)
I want to get away, yeah	We can make it better
[Gwen]	& tell me boy now wouldn't that be sweet? (sweet escape)
You held me down, I'm at my lowest boiling point	Woohoo, Yeehoo (I wanna get away, get away)
Come help me out, I need to get me out of this joint	Woohoo, Yeehoo (To our sweet escape)
Come on let's bounce, counting on you to turn me around	Woohoo, Yeehoo (I wanna get away)
Instead of clowning around, let's look for some common	Woohoo, Yeehoo (Yeah)
ground	Woohoo, Yeehoo
So baby, times get a little crazy	Woohoo, Yeehoo
I've been gettin' a little lazy, waitin' on you to (6)	
save me	
I can see that you're angry by the way that you treat me	
Hopefully you don't leave me, wanted you with me	
[Chorus]	
If I could escape & recreate a place that's my own world	
& I could be your favourite girl (forever), Perfectly together	
& tell me boy now wouldn't (7) be sweet? (sweet
