

## Fill in the gaps

Spend all your time waiting			
For that second chance			
For a break that would make it okay			
There's always (1) reason			
To feel not good enough			
And it's hard at the end of the day			
I need some distraction			
(Oh) (2) release			
Memory seeps from my veins			
Let me be empty			
And weightless and maybe			
I'll find some peace tonight			
In the arms of an angel			
Fly away (3) here			
From this dark (4) hotel room			
And the (5) that you fear			
You are (6) from the wreckage			
Of your silent reverie			
You're in the arms of the angel			
May you find			
Some comfort here			
So tired of the straight line			
And everywhere you turn			
There's vultures and (7) at (8)			
back			

And the storm keeps on twisting	
You keep on building the lie	
That you make up for all (9)	you lack
It don't make no difference	
Escaping one last time	
It's easier to believe	
In this sweet madness	
(Oh) this glorious (10)	_ that
Brings me to my knees	
In the arms of an angel	
Fly away from here	
From this dark cold hotel room	
And the endlessness that you fear	
You are pulled from the wreckage	
Of your silent reverie	
You're in the arms of the angel	
May you find	
Some comfort here	
You're in the arms of the angel	
May you find	
Some comfort
