

Fill in the gaps

I'm lost in the light	So you wouldn't be wrong
I pray for the night	Being free, (14) me on my own
To take me, to take you too	
After so (1) words	And I (15) my own
Still nothing's heard	Still I (16) your bones
Don't (2) what we should do	I (17) some awful things and I (18)
So if someone could see me now	(19) back
Let (3) see you	If we would try again
It was my greatest thrill	Just remember when
When we just (4) still	Before we (20) lovers I swear we (21)
You let me hold (5) (6) 'til I had my fill	friends
Even counting sheep	So if someone could see me now
Don't (7) me sleep	Let (22) see you
I (8) toss and turn right (9) beside ya	Let them see you
So if someone could help me now	See you through
They'd help you too	All the hard (23) we've all (24)
They'd (10) you too	do
See you through	'Cause (25) life is long
All the (11) (12) we've all	So you wouldn't be wrong
(13) do	Being free, leaving me on my own
'Cause this life is long
