I'm the one that drives away							
Then follows you (1) home

I am a street light shining							
I am a wild light blinding bright							
Burning off alone							
It's times like these you learn to live again							
It's times like these you give and give again							
It's (2) these you learn to love

It's times like these time and time again							
I							
I am a new day rising							
I'm a brand new sky to hang							
The stars upon tonight
