

Fill in the gaps

Hello	And now
I've waited here for you	I (8) you've always been
Everlong	Out of your head, out of my (9) I sang
Tonight	And I wonder
I (1) myself into	When I sing along with you
And out of the red, out of her head she sang	If everything could ever feel (10) real forever
Come down	If (11) could (12) be
And waste (2) with me	(13) (14) again
Down with me	The only thing I'll ever ask of you
Slow how	You've got to promise not to stop when I say when
You wanted it to be	She sang
I'm over my head, out of her head she sang	And I wonder
And I wonder	If (15) (16) ever feel
When I sing along with you	this real forever
If (3) (4) ever feel this	If anything (17) ever be (18)
real forever	(19) again
If anything could ever be this good again	The only (20) I'll ever ask of you
The only (5) I'll ever ask of you	You've got to promise not to (21) when I say when
You've got to promise not to (6) when I say when	If (22) could ever (23)
She sang	this (24) forever
Breathe out	If anything could ever be this good again
So I could (7) you in	The (25) thing I'll ever ask of you
Hold you in	You've got to promise not to stop when I say when
