

## Everlong by Foo Fighters

Hello	And now
I've (1)_____ here for you	I know you've always been
Everlong	Out of your head, out of my head I sang
Tonight	And I wonder
I throw myself into	When I sing along with you
And out of the red, out of her (2)_____ she sang	If everything could ever feel this real forever
Come down	If (6)_____ could ever be this good again
And waste away with me	The only thing I'll ever ask of you
Down with me	You've got to promise not to stop when I say when
Slow how	She sang
You wanted it to be	And I wonder
I'm over my head, out of her head she sang	If everything could (7)_____ feel this real forever
And I wonder	If anything could ever be this good again
When I sing along with you	The only thing I'll ever ask of you
If everything could ever (3)_____ this real forever	You've got to promise not to (8)_____ when I say when
If anything could ever be this good again	If everything (9)_____ ever (10)_____ this real
The (4)_____ thing I'll ever ask of you	forever
You've got to promise not to stop when I say when	If anything could ever be this good again
She sang	The only thing I'll ever ask of you
Breathe out	You've got to promise not to stop when I say when
So I could (5)_____ you in	
Hold you in
