

## Fill in the gaps

On the corner	I could be (13) man
Into my car	(Woah woah)
I drive forever	(Woah woah)
And (1) get far	Shut it down
The 45 is (2) getting loaded	Now look in my eyes
Send (3) to my star	Knock 'em dead
California (5) in the morning	A covered in flies
Stitch it up	The big sleep
Get it off	Without A bed of roses
All along the woman's got a warning	A (14) of day
Stitch it up	Will never tell lies
Get it off	Fall along the woman's got a warning
We all walked your pavement	Stitch it up
Get it off	Get it off
Take more (6) your	California (15) in the morning
(Woah woah)	Stitch it up
(Woah woah)	Get it off
A pendulum (7) of my head	We all walked (16) pavement
Swinging low I hope to get hit	Take (17) (18) your faith
The overflow is slowly (8) up	If I (19) you lately
Another (9) will never fix it	I could be your man
California mountains in the morning	I (20) be your greatness
Get along	If I (21) you lately
Get it off	I could be (22) man
All along the woman's got a warning	On the river
Stitch it up	Into my dock
Get it off	I paddle through
We all walked your pavement	The (23) and fog
Get it off	To (24) all of those
Take more than your	That came (25) me
Faith	Another (26) for
If I called you lately	Building my arch
I (10) be (11) man	
I could be your greatness	
If I (12) you lately
