Fill in the gaps

Fortune Faded by Red Hot Chili Peppers

They say in chess, you gotta kill the queen	You saw it all come down
And (1) you mate it	And now it's time to imitate it
(Oh) I, do you	Hey now, every (8) I lose
A (2) thing, the king who gets	Attitude
(3) assassinated	So divine, hell of an elevator
Hey now, (4) time I lose	All the while my fortune faded
Attitude	Nevermind the consequences of the (9) this time
You took a town by storm	My fortune faded
The mess you (5) was nominated	Come on God, do I seem bulletproof?
(Oh) I, do you	So divine, hell of an elevator
Now put away your welcome	All the while my fortune faded
Soon you'll find you've overstayed it	Nevermind the consequences of the (10) this
Hey now, every time I lose	time
Attitude	My fortune faded
So divine, hell of an elevator	So divine, hell of an elevator
All the while my fortune faded	All the while my fortune faded
Nevermind the consequences of the crime this time	Nevermind the consequences of the crime this time
My fortune faded	My fortune faded
The medicated (6) of (7) you find is
