While Your Lips Are Still Red by Nightwish

Sweet little words (1)_____ for silence

Not talk

Young heart for love

Not heartache

Dark hair for catching the wind

Not to veil the sight of a cold world

Kiss, (2)_____ your lips are still red

While he's still silent rest

While bosom is still untouched, unveiled

Hold another hand

While the hand's still without a tool

Drown into eyes while they're still blind

Love while the night (3)_____ hides the withering
dawn

First day of love never comes back

A passionate hour's never a wasted one

The violin, the poet's hand

Every thawing heart plays your theme with care

Kiss, while your lips are still red

While he's still silent rest

While bosom is still untouched, unveiled

Hold another hand

While the hand's (4)_____ without a tool

Drown into eyes while they're still blind

Love while the night still (5)_____ the withering
dawn...

(Oh...)

Kiss, while your lips are (6)_____ red

While he's (7)_____ silent rest

While bosom is still untouched, unveiled

Hold another hand

While the hand's still without a tool
