

Fill in the gaps

While Your Lips Are Still Red by Nightwish

Every thawing (6)_____ plays your theme with care

Sweet little (1) made for silence	Kiss, while your lips are still red
Not talk	While he's still silent rest
Young heart for love	While bosom is still untouched, unveiled
Not heartache	Hold another hand
Dark hair for catching the wind	While the hand's still without a tool
Not to veil the sight of a cold world	Drown into eyes while they're still blind
Kiss, while your (2) are still red	Love while the night still hides the withering dawn
While he's still silent rest	(Oh)
While bosom is still untouched, unveiled	Kiss, while your lips are still red
Hold another hand	While he's still silent rest
While the hand's still without a tool	While bosom is still untouched, unveiled
Drown (3) eyes while they're still blind	Hold another hand
Love while the (4) (5) hides the	While the hand's still (7) a tool
withering dawn	Drown into (8) while they're still blind
First day of love never comes back	Love while the night still hides the (9)
A passionate hour's never a wasted one	dawn
The violin, the poet's hand
