Broken hearts, they're all around me	(Oh I)
And I don't see an easier way to get out of this	I just died in your arms tonight
Her diary (3) by the bedside table	It must have been some kind of kiss
The curtains are closed	I should have walked away
The cat's in the cradle	I should have walked away
Who would have thought that a boy like me	It was a long hot night
Could come to this?	She made it easy
(Oh I)	She made it feel right
I just died in your arms tonight	But now it's over
It must have been something you said	The moment has gone
I (4) died in your arms tonight	I followed my (7) to my head
(Oh I)	I (8) I was wrong
I just died in your arms tonight	(Oh I)
It must (5) (6) some kind of kiss	I just (9) in your arms tonight
I should have walked away	It must have been something you said
I should have walked away	I just died in your arms tonight
Is there any just cause for feeling like this?	(Oh I)
On the surface I'm a name on a list	I just died in your (10) tonight
I try to be discreet	It must have been some kind of kiss
But then blow it again	I should have walked away
I've lost and found it's my final mistake	I should have walked away
