

Fill in the gaps

Hey Lucy, I remember your name	I never (9) (10) so bad
l left a dozen (1) on your grave today	Here we are
I'm in the grass on my knees, wipe the leaves away	For a (11) new start
I just came to talk for a while	Living the life (12) we could've had
I got some things I need to say	Me and (13) walking (14) in hand
Now that it's over	Me and Lucy never wanna end
I just wanna hold her	Just another moment in your eyes
I'd give up all the world to see	I'll see you in another life
That little piece of heaven looking back at me	In heaven where we (15) say goodbye
Now that it's over	Now that it's over
I just (2) hold her	I (16) wanna hold her
I've gotta live with the choices I made	I'd give up all the world to see
And I can't live with myself today	That little piece of heaven looking back at me
Hey Lucy, I remembered your birthday	Now that it's over
They said it'd (3) (4) closure to say	I (17) wanna (18) her
your name	I've (19) live with the choices I made
(To say your name)	And I can't (20) (21) myself today
I (5) I'd do it all different if I had the chance	Here we are, now you're in my arms
(The chance)	Here we are for a brand new start
But all I got are these roses to give	Got to (22) the choices I've made
And they can't help me (6) amends	And I can't live with (24) today
Now that it's over	Me and Lucy walking hand in hand
I just wanna hold her	Me and Lucy never (25) end
I'd give up all the (7) to see	Got to live with the choices I've made
That little piece of heaven looking back at me	And I can't live with myself
Now that it's over	Today
I just wanna hold her	Hey Lucy, I remember your name
I've gotta live (8) the choices I made	
And I can't live with myself today	
Here we are	
Now you're in my arms	

1. roses

- 2. wanna
- 3. bring
