

Let's play a game my dear, you

## Fill in the gaps

To unfold

Read my mind	Under the influence of wine and jazz
While I try to figure out	I (4) say I love you
What's inside	Then you
Under the influence of wine and jazz	You will believe me though
I will say I love you	One day
So you, you will believe me though	I am feeling fine
One day	But then the (5) I'm feeling down
I am feeling fine	And I don't think (6) you have ever (7)
Oh, the next I'm feeling down	me well
And I don't think that you have ever known me well	Or listened to those words I sang
Or listened to the songs I sang	They were about you
They were honest	And I don't think that you have ever (8) this way
And I don't think that you have (1) felt this way	Or listened to (9) words I sang
Or listened to those words I sang	They were about you
They were about you	One day
About you	I am feeling fine
You	So the (10) I'm feeling down
You	I'm feeling down
You	I'm feeling down
My (2) (3) danced with yours a million	I'm feeling fine
times	
Waiting for the silent dawn
