

## Hearts of Cold by Sister Sin

Let's head for hell tonight	When we leave
You and I	We won't leave here peacefully
No shackles in here can hold us down	Ash to ash, dust to lust
We'll ride free	Through other's blood, we'll never rust
We (1)_____ patiently	Forevermore as our love will sore
Break the walls, smoking gun	We are the (5)_____ (6)_____ from the
Across the border unchained, unbound	heavens above
We ride free	The (7)_____ coming from the (8)_____
We (2)_____ instantly	below
Ash to ash, dust to lust	And we won't die old, blessed by our broken homes
Through other's blood, we'll never rust	Shotgun romance, all natural born
Forevermore as our love will sore	Show no mercy, slay them all
We are the darkest angels (3)_____ the heavens above	One kill, two souls
The outlaws coming from the fires below	(Oh) our hearts of cold
And we won't die old, blessed by our broken homes	Hearts of cold
Shotgun romance, all natural born	Slay them all
Show no mercy, slay them all	Cold
One kill, two souls	The darkest angels from the heavens above
(Oh) our hearts of cold	The outlaws (9)_____ from the fires below
Hearts of cold	And we won't die old, blessed by our broken homes
Scar this town, crown the crime	Shotgun romance, all natural born
Baby, we'll (4)_____ headnews tonight	Show no mercy, slay them all
We're set free	One kill, two souls
We run famously	(Oh) our (10)_____ of cold
Through endless miles, dusk 'til dawn	Hearts of cold
It might end today, but we made it far	Cold

**Fill in the gaps**

Answer

**Fill in the gaps**
