Poem To A Horse (Live) by Shakira

You're too far to bring me close	You keep on (15) for the top
Too high to see below	And quit before you sweat a drop
Just hangin' on your (1) dose	Feed (16) empty brain
I know you never needed anyone	(With (17) hydroponic pot)
(But the rolling papers for your grass)	I bet you'll find someone (18) you
How can you give what you don't have	'Cause there's a foot for every shoe
You keep on aiming for the top	I wish you (19) but I've other things to do
And quit (2) you (3) a drop	I'll leave (20) 'cause I've been waiting in vain
I (4) your empty brain	But you're so in love with yourself
(With your (5) pot)	If I say my heart is sore
I bet you'll (6) someone like you	Sounds like a cheap metaphor
'Cause there's a foot for every shoe	So I won't repeat it no more
And now I (7) you luck	I'll leave again 'cause I've been (21) in vain
But I've (8) things to do	But you're so in love, so in love with yourself
I'll leave again 'cause I've been (9) in vain	If I say my heart is sore
You're so in love (10) yourself	Sounds like a (22) metaphor
If I say my (11) is sore	So I won't repeat it no more
Sounds (12) a cheap metaphor	I'll leave again 'cause I've been (23) in vain
I won't repeat it no, no more	But you're so in love, so in love with yourself
Rather eat my soup (13) a fork	If I say my heart is sore
Or drive a cab in New York	Sounds like a (24) metaphor
'Cause to talk to you is harder work	So I won't repeat it no more
What's the point of wasting all my words	
If it's (14) the same or even worse	
Than reading poems to a horse (ah)
