SUB inglés

The way I gave it to ya

Fill in the gaps

Rehab by Rihanna & Justin Timberlake

Baby baby	Don't even recognize the ways you hurt me, do ya?
When we first met, I never felt something so strong	It's gonna take a miracle to bring me back
You were like my lover and my best friend	And you are the one to blame
All wrapped into one with a ribbon on it	'Cause now I (5) like (ooh!)
And all of a sudden, when you left	You're the reason why I'm thinking
I didn't know how to follow	I don't wanna smoke on these cigarettes no more
It's like a shot that spun me around	I guess this is what I get for wishful thinking
And now my heart's dead	Should've never let you enter my door
I feel so empty and hollow	Next time you (6) go on and leave
And I'll never give myself to another	I should just let you go on and do it
The way I gave it to ya	Now I'm using like I bleed (now I'm using like I bleed)
Don't even recognize the ways you hurt me, do ya?	It's like I checked into rehab
It's gonna take a miracle to bring me back	And baby, you're my disease (you're my disease)
And you are the one to blame	It's like I checked into rehab
And now I feel like (ooh!)	And baby, you're my disease
You're the reason why I'm thinking	I gotta check into rehab
I don't wanna smoke on these cigarettes no more	'Cause baby you're my disease (you're my disease)
I guess that's (1) I get for (2)	I gotta check into rehab
thinking	'Cause baby you're my disease
Should've never let you enter my door	Now (7) gimme that
Next time you wanna go on and leave	(Oh oh oh oh oh oh oh)
I should just let you go on and do it	(Oh) now gimme that
'Cause now I'm using like I bleed	(Oh oh oh oh oh oh oh)
It's like I checked into rehab	(Oh) you're the reason why I'm thinking
And baby, you're my disease	I don't wanna smoke on these cigarettes no more
It's like I checked into rehab	I guess this is what I get for wishful thinking
Baby, you're my disease	Should've never let you enter my door
I gotta check into rehab	Next time you wanna go on and leave
'Cause (3) you're my disease	I should just let you go on and do it
I've gotta (4) into rehab	'Cause now I'm using like I bleed
'Cause baby you're my disease	It's like I checked into rehab
Damn, ain't it crazy when you're love-swept	And baby, you're my disease
You'd do anything for the one you love	It's like I checked into rehab
Cause anytime that you needed me, I'd be there	And baby, you're my disease
Its like you were my favorite drug	I gotta check (8) rehab
The only problem was that you was using me	'Cause (9) you're my disease
In a different way that I was using you	I've gotta check in to rehab
But now that I know that it's not meant to be	'Cause baby you're my disease
You gotta go, I gotta wean myself off of you	
And I'll never give myself to another	

- 1. what
