Fill in the gaps

Rehab by Rihanna & Justin Timberlake

Baby baby	Don't (19) recognize the ways you (20)
When we first met, I (1) felt	me, do ya?
(2) so strong	It's gonna take a miracle to bring me back
You were like my (3) and my best friend	And you are the one to blame
All wrapped into one with a ribbon on it	'Cause now I feel like (ooh!)
And all of a sudden, (4) you left	You're the reason why I'm thinking
I didn't know how to follow	I don't wanna smoke on these cigarettes no more
It's like a shot that spun me around	I guess this is what I get for wishful thinking
And now my heart's dead	Should've never let you enter my door
I feel so empty and hollow	Next time you wanna go on and leave
And I'll never give myself to another	I should just let you go on and do it
The way I gave it to ya	Now I'm using like I (21) (now I'm using like I
Don't even recognize the ways you hurt me, do ya?	bleed)
It's gonna (5) a miracle to bring me back	It's (22) I checked into rehab
And you are the one to blame	And baby, you're my disease (you're my disease)
And now I feel (6) (ooh!)	It's (23) I (24) into rehab
You're the reason why I'm thinking	And baby, you're my disease
I don't (7) smoke on these cigarettes no more	I gotta check into rehab
I (8) that's what I get for wishful thinking	'Cause baby you're my disease (you're my disease)
Should've never let you enter my door	I gotta check into rehab
Next (9) you wanna go on and leave	'Cause baby you're my disease
I should (10) let you go on and do it	Now ladies gimme that
'Cause now I'm using like I bleed	(Oh oh oh oh oh oh oh)
It's like I (11) into rehab	(Oh) now (25) that
And baby, you're my disease	(Oh oh oh oh oh oh oh)
It's like I checked into rehab	(Oh) you're the reason why I'm thinking
Baby, you're my disease	I don't (26) smoke on these cigarettes no more
I (12) rehab	I guess this is what I get for wishful thinking
'Cause baby you're my disease	Should've never let you enter my door
I've gotta check into rehab	Next time you wanna go on and leave
'Cause baby you're my disease	I (27) just let you go on and do it
Damn, ain't it crazy when you're love-swept	'Cause now I'm using like I bleed
You'd do (14) for the one you love	It's like I (28) into rehab
Cause anytime that you needed me, I'd be there	And baby, you're my disease
Its like you were my (15) drug	It's like I checked into rehab
The only problem was (16) you was using me	And baby, you're my disease
In a different way that I was using you	I gotta check (29) rehab
But now that I know that it's not meant to be	'Cause baby you're my disease
You gotta go, I gotta (17) myself off of you	I've gotta check in to rehab
And I'll never (18) myself to another	'Cause baby you're my disease
The way I gave it to ya
