

My soul is a cry

Fill in the gaps

(Te amo, te amo)	Without ask me why
She says to me	I said (te amo)
(1) the pain in her voice	Somebody tell me what she said
Then we danced underneath the candelabra	Don't it mean I love you
She (2) the lead	Think it means I love you
That's when I saw it in her eye	Don't it mean I love you
It's over	Yes we can dance
Then she says (te amo)	But you gotta watch (10) hand
Then she put her hand around me waist	Watch me all night
I told her no	I move under the light
She cries (te amo)	Because I understand
Told her I'm not (3) run away	That we all need love
But let me go	And I'm not afraid to feel the love
My soul is a cry	But I don't feel that way
Without ask me why	Then she says (te amo)
I said (te amo)	Then she put her hand around me waist
Somebody tell me what she said	I told her no
Don't it mean I love you	She cries (te amo)
Think it means I (4) you	I told her I'm not gonna run away
Don't it mean I love you	But let me go
(Te amo, te amo) (5) scared to breathe	My soul is a cry
I (6) her hand, I got no (7) (uhh)	Without ask me why
Pull me out on the beach, danced in the water	I said (te amo)
(8) to leave	Somebody tell me what she said
She's begging me and (9) why	Don't it mean I love you
It's over	Think it means I love you
Then she says (te amo)	Don't it mean I love you
Then she put her hand around me waist	Think it means I love you
told her no	I love you
She cries (te amo)	(Te amo, te amo)
Told her I'm not gonna run away	Don't it mean I love you
But let me go
