

My soul is a cry

Fill in the gaps

(Te amo, te amo)	Without ask me why	
She says to me	I said (te amo)	
I hear the pain in her voice	Somebody tell me what she said	
Then we danced underneath the candelabra	Don't it mean I love you	
She takes the lead	Think it (7)	I love you
That's (1) I saw it in her eye	Don't it mean I love you	
It's over	Yes we can dance	
Then she says (te amo)	But you gotta watch your hands	
Then she put her hand around me waist	Watch me all night	
I (2) her no	I move under the light	
She (3) (te amo)	Because I understand	
Told her I'm not gonna run away	That we all need love	
But let me go	And I'm not afraid to feel the love	
My soul is a cry	But I don't feel that way	
Without ask me why	Then she says (te amo)	
I said (te amo)	Then she put her hand around me waist	
Somebody tell me what she said	I told her no	
Don't it mean I (4) you	She cries (te amo)	
Think it means I love you	I told her I'm not gonna run away	
Don't it (5) I love you	But let me go	
(Te amo, te amo) she's scared to breathe	My soul is a cry	
I hold her hand, I got no choice (uhh)	Without ask me why	
Pull me out on the beach, danced in the water	I said (te amo)	
I start to leave	Somebody tell me what she said	
She's begging me and asking why	Don't it mean I love you	
It's over	Think it means I love you	
Then she says (te amo)	Don't it mean I love you	
Then she put her hand (6) me waist	Think it means I love you	
I told her no	I love you	
She cries (te amo)	(Te amo, te amo)	
Told her I'm not gonna run away	Don't it (8) I lo	ove you
But let me go
