## As We Enter by Nas & Damian "Jr. Gong" Marley

As we enter	Rise of the *******, I can see the fear up in (4) eyes
Come now we take you on the biggest adventure	Realize you can die any instant
Must be dementia that you ever thought	And I can hear the sound of your voice
You could touch our credentials, what's the initials?	When you must (5) your life like mice in the kitchen
You be Jamrock, the lyrical official	Snitching, I can see him ******* on hisself
Send out the order, laws and the rituals	And he wetting up his thighs and he trying to resist it
Burn candles, say prayers, paint murals	Switching, I can smell him (6) up ****
t is truth, we big news, we hood heroes	(7) a fly
Break past the anchor, we come to conquer	Come around and be persistent
Man a badman, we no play Willy Wonka	That's how you end up in a hit list
And I got the guns	In a bad man business
got the ****	No evidence
And we could blaze it up on your block if you want to	Crime scene, fingerprint-less
Or (1) it up, stash box in a Hummer	Flow effortless
Or you could run up and get done up	Casual like the weekends
Or get something (2) you want none of	No pressure when
Unlimited amount to collect from us	We're (8) and decent
Direct from us, street intellectuals	We set this off beastin'
And I'm shrewd about decimals	Hunting season
And my man'll speak patois and I can speak rap star	And, frankly speaking
Y'all feel me even if it's in Swahili	Word is out, (9) you heard about
Or (3) Gani	Nas and Jr. Gong came to turn it out
Masuri Sana	Body the verses 'til they scream murder out
Switch up the language and move to Ghana	The kings is back, time to return the crown
Salute and honor, real revolution rhymers	Who want it? Tuck your chain, we're due coming
Riddim piranhas	Renegades that'll peel you back like new hundreds
Like true Obamas, unfold the drama	Bet your jewels on it, you don't want to lose on it
Nord is out, hysteria you heard about	Either move on or move on it
Nas and Jr. Gong came to turn it out	Word is out, hysteria you heard about
Body the verses 'til they scream murder out	Nas and Jr. Gong came to turn it out
The kings is back, time to return the crown	Body the verse 'til they scream (10) out
Who want it? Tuck your chain, we're due coming	The kings is back, time to return the crown
Renegades that'll peel you back like new hundreds	Who want it? Tuck your chain, we're due coming
Bet your jewels on it, you don't want to lose on it	Renegades that'll peel you back like new hundreds
Either move on or move on it	Bet your jewels on it, you don't want to lose on it
Queens to Kinaston	Either move on or move on it
