

Fill in the gaps

Parachute by Matthew Koma

Cut me loose, my parachute won't let me fly
I'll survive 'cause we got love
(Oh)
Think of me when your world seems to fall apart
Under the weight of a heavy heart
It's so material, criminal
What we put up on a pedestal
Need a spark to start a fire
Don't be afraid of a chance for a miracle
Scare it away being cynical
Step into open skies, close your eyes
Jump into something you don't recognize
Just (1)_____ your arms out wide
Cut me loose, my parachute won't let me fly
I'll survive 'cause we got love
Summer days will fade away and pass us by
But we'll survive 'cause we got love
Think of what we had, we got love
And it's all we had, we got love
Think of (2)_____ we had, we got love
(Oh)
I'll be the voice when the whispers get too loud
Your home (3)_____ and the king that keeps you
crowned
Your breath (4)_____ you're choking on your words
Your sex your (5)_____ turn
When you're (6)_____ to start

Lean on my (7)_____ baby
Close your eyes just reach your arms out wide
Cut me loose, my parachute won't let me fly
I'll survive 'cause we got love
Summer days will fade away and pass us by
But we'll survive 'cause we got love
Think of what we had, we got love
And it's all we had, we got love
Think of what we had, we got love
(Oh)
Don't (8)_____ a (9)_____ with a view on the
Westside
Just wanna wake up at your side
'Cause when you know it, you know it
In the blink of a moment
It's like I'm, It's like I'm
It's like I'm falling for the first time
Cut me loose, my parachute won't let me fly
I'll survive 'cause we got love
Summer days will fade away and pass us by
But we'll survive 'cause we got love
Think of what we had, we got love
And it's all we had, we got love
Think of what we had, we got love

Answer

1. reach
2. what
3. base
