Cut me loose, my parachute won't let me fly
I'll survive 'cause we got love
(Oh)
Think of me when your world seems to fall apart
Under the weight of a heavy heart
It's so material, criminal
What we put up on a pedestal
Need a spark to start a fire
Don't be afraid of a chance for a miracle
Scare it away being cynical
Step into open skies, close your eyes
Jump into something you don't recognize
Just reach your arms out wide
Cut me loose, my parachute won't let me fly

I'll (1) 'cause we got love
Summer days will fade away and pass us by
