

## Fill in the gaps

LIII	I'll be your guide
Take another walk out of your fake world	For every street of any scene
Please put all the drugs out of your hand	Any place you've never been
You'll see (1) you can breathe without no back up	I'll be your guide
So much stuff you've got to understand	Lili
For every step in any walk	Easy as a (4) we'll find an answer
Any town of any thought	Put all your fears back in the shade
I'll be (2) guide	Don't become a ghost without no colour
For every street of any scene	'Cause you're the (5) paint, life ever made
Any place you've (3) been	For (6) step in any walk
I'll be your guide	Any town of any thought
Lili	I'll be (7) guide
You know there's still a place for people like us	For every street of any scene
The same blood runs in every hand	Any place you've never been
You see it's not the wings that make the angel	I'll be (8) guide
Just have to move the bat out of your head	
For every step in any walk	
Any town of any thought
