Take (1) walk out of your (2)	For every street of any scene
world	Any (18) you've never been
Please put all the drugs out of (3) hand	I'll be your guide
You'll see that you can breathe without no (4) up	Lili
So (5) (6) you've got to understand	Easy as a (19) we'll find an answer
For every step in any walk	Put all (20) fears (21) in the shade
Any (7) of any thought	Don't (22) a ghost without no colour
I'll be your guide	'Cause you're the best paint, (23) (24)
For (8) of any scene	made
Any place you've never been	For every step in any walk
I'll be (10) guide	Any (25) of any thought

You (11) there's still a place for	For every street of any scene

The same blood (13) in every hand	I'll be your guide
You see it's not the wings (14) make the angel	
Just have to move the bat out of (15) head	
For (16) in any walk	
Any town of any thought
