

Fill in the gaps

Let's play a game my dear, you read my mind	Under the influence of wine and jazz
While I try to figure out	I'll say I love you every time
What's inside	And you, you will believe me though
Under the influence of wine and jazz	One day
I'll say I love you every time	I'm feeling high
And you, you will believe me though	Oh, the next I'm feeling down
One day	And I don't think that you have ever (6) me well
I'm feeling fine	Or listened to the songs I sang
Oh, the (1) I'm feeling down	They were honest
And I don't think that you have ever known me well	And I don't think (7) you (8) ever felt
Or (2) to the songs I sang	this way
They were honest	Or (9) to those words I sang
And I don't think that you have ever (3) me well	They were 'bout you
Or listened to (4) words I sang	One day
They were 'bout you	I'm feeling fine
My eyes (5) danced with yours a million times	Oh, the (10) I'm feeling down
Waiting for the silent dawn	(I'm feeling down)
