

Fill in the gaps

It's Time (Acoustic) by Imagine Dragons

So this is what you meant	It's time to begin, isn't it?
When you (1) that you were spent	I get a little bit bigger, but (7) I'll admi
And now it's time to build from the (2) of the	I'm just the same as I was
pit	Now don't you understand
Right to the top	I'm (8) changing who I am
Don't hold back	It's time to begin, isn't it?
Packing my bags and giving the academy a rain check	I get a little bit bigger, but then I'll admit
I don't ever want to let you down	I'm just the same as I was
I don't ever want to leave (3) town	Now don't you understand
'Cause after all	I'm never changing who I am
This (4) never sleeps at night	This road (9) looked so lonely
It's (5) to begin, isn't it?	This (10) doesn't burn down slowly
I get a little bit bigger, but then I'll admit	To ashes, to ashes
I'm just the same as I was	It's time to begin, isn't it?
Now don't you understand	I get a little bit bigger, but then I'll admit
I'm never changing who I am	I'm just the same as I was
So this is where you fell	Now don't you understand
And I am left to sell	I'm never changing who I am
The path to heaven runs through miles of clouded hell	It's time to begin, isn't it?
Right to the top	I get a little bit bigger, but then I'll admit
Don't look back	I'm just the same as I was
Turning to rags and giving the commodities a rain check	Now don't you understand
I don't ever want to let you down	I'm never changing who I am
I don't ever want to leave this town	
'Cause (6) all	
This city never sleeps at night	

- 1. said
