

What Goes Around...Comes Around by Justin Timberlake

Hey girl
Is he everything you wanted in a man?
You know I gave you the world
You had me in the palm of your hand
So, why the love went away?
l just can't seem to understand
Thought it was me and you, baby
Me and you until the end
But I guess I was wrong
Don't wanna think about it
Don't wanna talk about it
I'm just so (1) about it
can't believe it's ending this way
Just so confused about it
Feeling the blues about it (yeah)
I just can't do without ya
Tell me is this fair
Is this the way it's really going down?
Is this how we say goodbye?
Should've known better when you came around
That you were (2) make me cry
It's breaking my heart to watch you run around
Cause I know (3) you're living a lie
But that's ok, baby
Cause in time you (4) find
What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around

inglés
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around
Yeah
Now Girl
I remember everything that you claimed
You said that you were moving on now (on now)
Maybe I should do the same
(Maybe I should do the same)
The funny thing about that is
I was ready to give you my name
Thought it was me and you baby (baby)
And now, it's all just a shame
That I guess I was wrong
()
Don't wanna think about it (no)
Don't wanna talk about it
I'm just so sick about it
I can't believe it's ending this way
Just so confused about it
Feeling the blues about it (yeah)
I (5) can't do without ya
Can you tell me is this fair
Is this the way it's really going down?
Is this how we say goodbye?
Should've known better when you came around

That you were (6)_____ make me cry

It's breaking my heart to watch you run around

Fill in the gaps

Cause I know that you're living a lie But that's ok, baby 'Cause in time you will find What goes around, goes around, goes around Comes all the way back around What goes around, goes around, goes around Comes all the way back around What (7)_____ around, goes around, goes around Comes all the way back around What goes around, goes around, goes around Comes all the way back around Yeah (...) Don't wanna think about it (no) Don't wanna talk about it I'm just so sick about it I can't believe it's ending this way Just so confused about it Feeling the blues about it (yeah) I just can't do without ya Tell me is this fair What goes around, goes around, goes around Comes all the way back around What goes around, goes around, goes around Comes all the way back around What goes around, goes around, goes around Comes all the way back around

What goes around, goes around, goes around

Comes all the way back around

Yeah

JUB
(Let me paint this picture for you, baby)
You spend your nights alone
And he never comes home
And everytime you call him
All you get a busy tone
I heard you found out
That he's doing to you
What you did to me
Ain't that the way it goes
When you cheated, girl
My heart bleeded, girl
So keep going without saying
That ya left me feeling hurt
Just a classic case a scenario
Tell is over
Girl, you got what you deserved
And now you want somebody
To cure the lonely nights
You wish you had somebody
That could come and make it right
But girl, I ain't somebody
Whit a lot of sympathy
See
What goes around comes back around
I thought I told ya (hey)
What goes around comes (8) around
I thought I told ya (hey)
What goes (9) comes back around

I thought I told ya (hey...)

I thought I told ya (hey...)

See...

You should listened to me, baby...
