

Living under the fear till nothing else remains

Fill in the gaps

We Don't Need Another Hero (Live) by Tina Turner

Out of the ruins	All the children say
Out from the wreckage	We don't need another hero
Can't make the (1) (2) this time	We don't need to know the way home
We are the children	All we want is life beyond the thunderdome
The (3) generations	What do we do with our lives
We are the ones they left behind	We leave only a mark
And I wonder (4) we are ever gonna change it	Will our story shine like a life
Living under the fear till nothing else remains	Or end in the dark
We don't need (5) hero	Give it all or nothing
We don't need to (6) the way home	We don't need (8) hero (hero)
All we want is life beyond the thunderdome	We don't need to know the way home
Yeah	All we (9) is life beyond the thunderdome
Looking for something	All the children say
We can rely on	We don't need another hero
There's got to be something better out there	We don't need another hero
Love and compassion	We don't (10) to know the way home
Their day is coming (coming)	All we want is life beyond the thunderdome
All else are castles built in the air	Yeah
wonder (7) we are ever gonna change it
