Fill in the gaps

We Don't Need Another Hero (Live) by Tina Turner

Out of the ruins	All the children say
Out (1) the wreckage	We don't (6) another hero
Can't make the same mistake this time	We don't need to know the way home
We are the children	All we want is life beyond the thunderdome
The last generations	What do we do (7) our lives
We are the ones they left behind	We (8) only a mark
And I wonder when we are ever gonna change it	Will our story shine like a life
Living under the fear till nothing else remains	Or end in the dark
We don't need another hero	Give it all or nothing
We don't (2) to know the way home	We don't need another hero (hero)
All we want is life (3) the thunderdome	We don't need to know the way home
Yeah	All we want is life beyond the thunderdome
Looking for something	All the (9) say
We can rely on	We don't need another hero
There's got to be something better out there	We don't (10) another hero
Love and compassion	We don't need to know the way home
Their day is coming (coming)	All we want is life beyond the thunderdome
All else are castles built in the air	Yeah
I (4) when we are ever gonna change it	
Living under the (5) till nothing else remains
