Don't Believe In Love by Dido

Fill in the gaps

I wanna go to bed with arms around me	If I don't (5) in love nothing is new for me
But wake up on my own	Nothing is wrong for me
Pretend (1) I'm still sleeping	And nothing is real for me
'Til you go home	If I don't (6) in (7) nothing is
(Oh) I can't look at you this morning	good for me
I should probably have a sign	If I don't believe in love nothing will last for me
That says "leave right now or quicker"	When I don't believe in love (8) is new for
You've overstayed your time	me
If I don't believe in love nothing will last for me	Nothing is wrong for me
If I don't believe in love nothing is safe for me	And nothing is real for me
When I (2) believe in love you're too close	If I don't believe in (9) why do you care for me?
to me	When I don't believe in love nothing is real for me
And (3) why you have to leave	If I don't believe in love you're getting to close to me
Maybe I slept peaceful on your shoulder	That's why you have to leave
Your arm warm around my side	That's why you have to leave
But it's (4) now, it's morning	If I don't believe in love
And I can't face your smile	If I don't believe in love
The second that I feel your safe hands	If I don't believe in love
Reaching out for mine	Nothing is left for me
I slip away and out of sight	If I don't believe in love
You've overstayed your time	You're too (10) for me
If I don't believe in love nothing is good for me	
If I don't believe in love nothing will last for me
