Fill in the gaps

The Day That Never Comes by Metallica

Born to push you around	Take you back one day
Better just stay down	I'll end this day
You put away	I'll (5) color on this gray
He hit's the flesh	Waiting for the one
You hit the ground	The day that (6) comes
Mouth so full of lies	When you stand up and feel the warmth
Tend to black your eyes	But the sunshine never comes
Just keep them closed	Love is a (7) word
Keep praying (1) keep waiting	And never spoken here
Waiting for the one	Love is a fallen word
The day that never comes	Here in (8) prison
When you (2) up and feel the warmth	I suffer this no longer
But the sunshine never comes	I'll put an end to
No the sunshine never comes	This I swear, this I swear
Pushed you across that line	The sun will shine
Just (3) (4) this time	This I swear, this I swear
Hide in yourself	This I swear
Crawl in yourself	
You'll have your time	
God I'll make them pay
