Pride you took, pride you feel	I hear (5) in (6) cries
Pride that you felt when you'd kneel	Broken is the promise, betrayal
Not the word, not the love	The healing hand held back by the deepened nail
Not what you thought from above	Follow the god that failed
It feeds, it grows	I see faith in your eyes
It clouds all that you will know	Broken is the promise, betrayal
Deceit, deceive	The healing hand held back by the deepened nail
Decide just what you believe	Follow the god (7) failed
I see faith in your eyes	Pride you took, pride you feel
Never your hear the discouraging lies	Pride that you felt when you'd kneel
I hear faith in (1) cries	Trust you gave a child to save
Broken is the promise, betrayal	Left you cold and him in grave
The healing hand (2) (3) by the	I see faith in your eyes
deepened nail	Never (8) hear the discouraging lies
Follow the god that failed	I hear faith in your cries
Find your peace, find (4) say	Broken is the promise, betrayal
Find the smooth road in your way	The (9) hand held back by the deepened
Trust you gave a child to save	nail
Left you cold and him in grave	Follow the god that failed
It feeds, it grows	Follow the god that failed
It clouds all that you will know	Broken is the promise
