Still life

## Fill in the gaps

### All Nightmare Long (Live) by Metallica

Luck	Infamy
Runs	Hallucination
Out	Heresy
Crawl from the wreckage one (1) time	Still you run, what's to come?
Horrific (2) (3) the mind	What's today?
Dark, rugged, cold and hard to turn	'Cause we hunt you (14) without mercy
Path of destruction, feel it burn	Hunt you down all nightmare long
Still life	Feel us breathe upon (15) face
Immolation	Feel us shift, every (16) we trace
Still life	Hunt you down without mercy
Infamy	Hunt you down all nightmare long, yeah
Hallucination	Luck
Heresy	Runs
Still you run, what's to come?	I crawl (17) in
What's today?	But your (18) runs out
Cause we hunt you (4) without mercy	Out
Hunt you down all nightmare long	Then you crawl (19) in
Feel us (5) upon your face	Into (20) obsession
Feel us shift, (6) (7) we trace	Never to return
Hunt you down without mercy	This is your confession
Hunt you down all nightmare long, yeah	Hunt you (21) (22) mercy
Luck	Hunt you down all (23) long
Runs	Feel us breathe upon your face
I (8) back in	Feel us shift, every move we trace
But your luck (9) out	Hunt you down without mercy
Luck	Hunt you down all nightmare long, yeah
Runs	Luck
Out	Runs
The light that is not light is here	I (24) back in
To (10) you out with your own fear	But your luck runs out
You hide, you hide, but will be found	Luck (25) out
Release (11) (12)	Out
(13) a sound	
Still life	
Immolation
