wy guilt and my sname	So i m sare but i m a little outside
Always sell me short, always feel the same	I'm (7) laugh when I'm (8) alive
And my face and my soul	Stay
Always wear me thin, always under control	You don't always know where you stand
But the longest hours you'll have in your life	Till you know that you won't run away
Are the (1) you sit, through to know if you're right	There's something inside me that feels
So I'll wait, but I pray that I'm wrong	Like breathing in sulfur
Because I think I know what's goin' on	Like breathing in sulfur
So let me get this straight, the only (2) is my own	Like breathing in sulfur
I do what (3) I want and stay alone	Stay
All my decisions make it untouchable and tainted	You don't always know (9) you stand
I'm gonna suffer for the rest of my life	Till you know that you won't run away
But I always find a way to survive	There's something inside me that feels
I'm not a failure, but I know what its like	Like breathing in sulfur
I can take it, or leave it or die!	Stay
Stay	You don't always know where you stand
You don't always (4) where you stand	Till you know that you won't run away
Till you (5) that you won't run away	There's something inside me that feels
There's something inside me that feels	Like breathing in sulfur
Like breathing in sulfur	Like breathing in sulfur
My life is undone	Like (10) in sulfur
And I'm a sinner to most, but a (6) to some	Like breathing in sulfur
And my gods are untrue	Like breathing in sulfur
I'm probably wrong, but I'm better than you	Like breathing in sulfur
And the longest hours I've had in my life
