

## Fill in the gaps

## Can't Hold Us Down by Christina Aguilera

| featuring Lil' Kim                                       | I don't understand why it's OK,                    |
|--|--|
| So- What am I not s'pposed to have an opinion            | The guy gets all the glory and the (13) gets named |
| Should I (1) quiet just because I'm a woman              | All my ladies come together and (14) a change      |
| Call me a bitch cause I speak what's on my mind          | And (15) a new (16) for                            |
| Guess it's easier for you to swallow if I sat and smiled | us, everybody sang                                 |
| When a female fires (2)                                  | CHORUS-repeat                                      |
| Suddenly big talker don't know how to act                | Lil' Kim:  |
| So he does what every (3) boy would do                   | Check it- Here's something I just can't understand |
| Makin' up a few false rumors or two                      | If the guy have three girls then he's the man      |
| That for sure is not a man to me, slanderin' names for   | He can either give us some head, sex her off       |
| popularity   | If the girl can do the same, then she's a whore    |
| It's sad you only get your fame through controversy      | But the table's about to turn                      |
| But now it's time for me to come and (4) you more        | I'll bet my fame on it                             |
| to say   | Cats take my (17) and put (18)                     |
| CHORUS   | (19) on it   |
| This is for my (5) all around the world                  | It's aiight though, you can't hold me down         |
| Who have come across a man who don't respect your worth  | I got to keep on movin'                            |
| Thinkin' all women should be seen not heard              | To all my girls with a man who be tryin' to mack   |
| So what do we do girls, shout out loud                   | Do it right (20) to him and let that be that       |
| Lettin' 'em know we're gonna (6) our ground              | You need to let him (21) that his name is wack     |
| So lift you hands higher and wave 'em proud              | And Lil' Kim and (22) Aguilera got                 |
| Take a deep (7) and say it loud                          | your back  |
| Never can, never will                                    | You're just a little boy                           |
| Can't hold us down                                       | Think you're so cute, so coy                       |
| Nobody can hold us down.                                 | You must talk so big to make up for smaller things |
| Never can never will.                                    | You're just a little boy                           |
| So- What am I not supposed to say what I'm saying        | All you do is annoy                                |
| Are you offended with the (8) I'm bringin'               | You must talk so big to make up for smaller things |
| Call me whatever 'cause your words don't mean a thing    | CHORUS-repeat 2X                                   |
| Guess you ain't even a man enough to handle (9) I        | Can't hold us down!                                |
| sing   | (repeat and fade out)                              |
| If you look back in history it's a common (10)           |  |
| standard of society                                      |  |
| The guy gets all the glory the more he can score         |  |
| While the (11) can do the same and yet you               |  |
| (12) her a whore   |  |
