## The Number Of The Beast by Iron Maiden

Woe to you (Oh) earth and sea	In the mist, dark (11) move and twist
For the Devil sends the (1) (2) wrath	Was all this for real, or just some kind of hell
Because he knows the time is short	Six, six, six the (12) of the beast
Let him who (3)	Hell and fire was spawned to be released
(4) reckon	Torches blazed and sacred chants were praised
The number of the (5) for it is a human number	As (13) start to cry, hands held to the sky
It's (6) is six hundred and sixty six	In the night, the (14) burning bright
l left alone, my mind was blank	The ritual has begun, Satan's (15) is done
I needed time to think	Six, six, six the number of the beast
To get the memories from my mind	Sacrifice is going on tonight
What did I see, can I believe?	This can't go on, I must inform the law
That what I saw that night was real	Can (16) still be real or (17) some
And not just fantasy	(18) dream
Just what I saw	But I feel drawn towards the (19) chanting hordes
In my old dreams	They (20) to mesmerize
Were they reflections	Can't avoid (21) eyes
Of my warped mind (7) back at me	Six, six, six the number of the beast
Cause in my dreams	Six, six, six the one for you and me
It's always there	I'm coming back, I (22) return
The evil face that twists my mind	And I'll possess (23) body and I'll make you burn
And brings me to despair	I have the fire, I have the force
Yeah!!!	I have the (24) to make my evil take its course
The (8) was black, was no use	
(9) back	
Cause I just had to see	
Was someone (10) me
