

It started out as a feeling
Wich then grew (1) a hope
Wich then turned into a quiet thought
Wich then turned into a quiet word
And then that word grew louder and louder
'Til it was a battle cry
I'll come back when you call me
No need to say goodbye
Just (2) everything's changing
Doesn't mean it's never been this way before
All you can do is try to know who your friends are
As you head off to the war
Pick a star on the (3) horizon
And follow the light
