

Fill in the gaps

Never thought that I (1) grow so old of seeing	Take me back
the gold	Give it, up (11) it up to me
Still I (2) want it to go	'Cause I can't go on
I would (3) it up to my cold heart	If your (12) isn't strong
Feel the way it used to start up	See I want it all
Take me back, t-t-take me back	Give me, (13) me all your love
To the way that I was before	If you can't hold on
Hungry for (4) was to come	Then baby, baby
Now I'm longing for the way I was	Don't save me now, no (if your love isn't strong)
You say you will, say you will (5) me	Baby, don't (14) me now (don't (15) me
You say you will, say you will (6) me	now)
You say you will, say you will save me	No, no
You say you will, say you will (ah, oh)	And if I had to beg for your love (again, again, again)
Take me back	Tell me, (16) me
Give it up, give it up to me	Would it ever be enough (again, again, again)
'Cause I cant go on	T-t-tell me
If your love isn't strong	And if I had to beg for (17) love (again, again,
See I want it all	again)
Give me, give me all your love	Tell me, (18) me
But if you can't (7) on	Would it ever be (19) (again, again, again)
Then baby, baby	So baby, don't save me
Don't (8) me now, no (if your love isn't strong)	No Baby, don't save me
Baby, don't save me now, no, no	Baby, don't save me now (again, again, again)
All my life I wasn't trying to get on a high way	No, no (if your (20) isn't strong)
I was (9) which way to go	Baby, don't (21) me now (again, again, again)
Spending all of my damn time	No, no (if (22) love isn't strong)
Leaving all the weight behind, yeah	Baby, don't save me now (again, again, again)
Take me back	No, no (if your love isn't strong)
T-t-take me back to the song how'd it used to go, oh	Baby, don't save me now (again, again, again)
Screaming for what was to come	No, no, no (if your love isn't strong)
Now I'm dreaming about the way I was	Don't save me (again and again)
You say you will, say you will save me	(Again and (23) and again)
You say you will, say you will (10) me	Don't save me (again and again)
You say you will, say you will save me	(Again and (24) and again)
You say you will, say you will (ah, oh)
